HOME IS WHERE YOUR HERD IS

After School Academics (ASA)

Formerly known as pass lab, After School Academics is a way to get home work done, catch up on missing assignments, or get a little extra help from teachers or our math or academic interventionists. (Space is limited to 8th~10th graders.)

* Tuesday & Thursday: 2:50PM to 3:50PM

* Wednesday: 2:25PM to 3:50PM

Students attending ASA should report to Mr. Pearson for math help in room 121 or Mrs. Southwell for general academic help in room 200. Students are expected to arrive ready to work promptly at the start time. Students must arrive on time to be permitted to stay.

For our bus riders, **Transportation is available after ASA**. Sign-Ups for a bus will be available in Mrs. Southwell's room in room 200 from 1:30pm-3:00pm [Club members can use this same transportation, if they sign up for a bus before attending their club meeting.]

Please Note: If a student signs up for a ASA bus but is a no show, only one warning will be given. If this should happen twice, the student will be permitted to attend ASA (and club meetings) but will not be able to right the ASA bus for the remainder of the semester.

Did you know?

Buchanan Community Schools' website has a fresh, new look! You can find us at the same web address of www.buchananschools.com, but once there you will discover it's more up-to-date and a lot more user friendly. We are still uploading information and tweaking a few things, but are excited with the progress thus far. When you check it out, be sure to click the **ATHLETICS** tab. You'll find some big changes there too.

We hope you are planning to attend one of our Parent Workshop to learn more of what is happening at the high school: new staff members, new CTE academies, information leading up to graduation, and more. Go Bucks!

PARENT OPEN HOUSES:

- August 28th at 6:00 -7:00PM... 8th Grade Orientation/New Student Orientation.
- September 12, 6:00-7:00PM ... Senior Parent Night.
