On June 8, 2021, the Buchanan Community Schools Board of Education conducted their annual performance review of Superintendent, Patricia Robinson. The Board evaluated Mrs. Robinson using a tool provided by the Michigan Association of School Boards which rated her performance in six areas:

- *Governance and board relations*
- *Stakeholder relations*
- *Employee relations*
- *Educational leadership*
- *Operations*
- *Finance*

Mrs. Robinson received a “highly effective” rating in 5 of the 6 areas. The outlier was Finance leading her overall performance rating to “effective”.

Buchanan Community Schools Board President Dr. Harvey Burnett shared that “Superintendent Patricia Robinson has worked hard to build a better Buchanan Community School District despite the challenges of the current pandemic. We look forward to her continued educational leadership, direction and management of our district as we move into a more post-pandemic era.”
