Dear Buck Families,

Today, a middle school student made a statement that could have been perceived as a threat during school hours. All school safety protocols were followed, including notifying the police. Local police authorities working with school leadership have determined that there is no threat to student safety.

School safety is our number one priority. The district will continue to work with law enforcement officials to ensure that all Buchanan Community Schools students are able to attend classes while in a safe learning environment.

If you have any additional questions, please feel free to contact me at 269-695-8401.

Sincerely,
