Dear Parents/Guardians, Students and Staff,

It is with a heavy heart that I share that Torriano Anderson, one of our Buchanan High School students, has passed away. Torriano was well known and loved by many.

All of us are deeply saddened by the loss of Torriano and want you to know that we are here to help you in any way we can. Counselors will be available to help students and staff process this loss and provide grief resources, should they be needed. Please visit the High School Counselor's Office for support.

As with all personal matters, we will follow the family's wishes regarding the sharing of information about memorial arrangements. If more information is requested to be shared, we will be sure to forward it on to you.

Please let us know if there is anything we can do to support you or your student during this difficult time.

With deepest sympathy,

A handwritten signature in black ink, appearing to read "Patricia L. Robinson".
