Contributions to Buchanan Community Schools
Bill Weaver

Bill Weaver was a teacher and outstanding coach in Buchanan for 30 years. Mr. Weaver dedicated more than two decades of his life to coaching, improving, and bringing prominence and respect to the Lady Bucks Varsity Basketball Team. He also coached at the junior varsity and middle school levels for boys' and girls' teams.

Coach Weaver was a genuine leader. He always got the most out of his players and routinely saw success on the court by winning games, titles and awards. Teamwork wasn't a buzzword for him; he preached it and worked tirelessly to turn every group he coached into a cohesive unit. His well-prepared teams were fierce and feared by conference opponents, whether the Lady Bucks were at home or on the road.

Coach Weaver lead the Varsity Girls Basketball Team to 9 Conference Championships, 7 District Championships, 2 Regional Championships, 2 Final Four Appearances, and 1 State Championship.

In addition to coaching for 30 years, Mr. Weaver also generated excitement and love for basketball among Buchanan youth as the Buchanan Basketball Summer Camp Director and through assisting with the organization and running of the Jr. Bucks Basketball program for several years.
