Dear Buchanan Transportation Families,

Buchanan Community Schools has been very fortunate to provide uninterrupted services to our students and families over the years. We take pride in our work and the ability to offer services.

With this record, it makes it hard to share that this week we are short-staffed and will need to make adjustments to busing services for **Monday and Tuesday** this week. Please see the adjustments below:

Bus 3 - CTE to Brandywine, Niles, SMC, and LMC will be in van 22. If there are more than 9 students needing to ride at once, we will need to drop off students at the nearest destination and return for the remaining students.

Bus 4 - No transportation services provided. Midday run for this route will be combined with bus 5's midday.

We recognize this is an inconvenience and appreciate your understanding. We will inform you of changes and updates.

On the day when your child's bus is not available, we are asking you to provide alternate transportation for your child(ren). If you are unable to provide transportation and your child, who rides any of the buses listed above, misses school, the absences will be excused, and your child will have the opportunity to complete any missed assignments. Please check with your child's teacher for additional guidance on missed work.

We are committed to providing high-quality and safe transportation services that accommodate the various academic and extracurricular needs of our students. If you or someone you know is passionate, positive, and interested in becoming a bus driver, please visit our website at <https://www.buchananschools.com/employment/> to apply.
