BCS Updates - November 10, 2023

## NASEF- NRG Carvana Combine Finalists Announces (Carvana's Official News Release)

NASEF x NRG Carvana Combine. This fall, NASEF put out a nationwide call for students to compete in the path-to-pro showcase. The collaborative event leverages the talent and resources of the pro esports.org NRG to create a unique hands-on learning experience for high schoolers.

This incredible opportunity includes the chance to win a \$5,000 scholarship or an NRG Content Creator contract plus a \$10,000 signing bonus! The students were selected as finalists after a nationwide competition to create a hype video focused on the game Rocket League. Additional competitors at the event have already graduated from high school and qualified through a separate pathway with NRG.

Access the full release [here](#).

Please join the livestream and cheer on these NASEF finalists! Sunday, November 12, 2023 from 1:00 pm PDT to the finish at approximately 6:30 pm on Twitch at NRGgg, <https://www.twitch.tv/nrggg>, and on the NRG Rocket League channel, <https://www.youtube.com/@NRGRocketLeague/streams>.

## National STEM/STEAM DAY

National STEM/STEAM Day was November 9th and our STEM students at Buchanan Middle School hosted a Lego competition this week. Students built and programmed their own Lego Robot to maneuver through different obstacles.
