

BUCKS in ACTION

"The Transportation Department delivered meals to 7 families. There were lots of laughs, hugs, and thanks from everyone. Each family received a turkey, ham, bag of potatoes, bag of carrots, canned corn, canned beans, bananas, a gallon of milk, 1lb of butter, pumpkin roll, cookies and fresh eggs. Each driver had a special gift for their family as well. The hams were donated by Lowery's and Hardings gave a \$50 gift card. Everything else was paid for through the transportation staff!

The love for the community these drivers have is beyond the doors of their buses!"

~Mr. Will, Transportation Supervisor
