2501A-F-3 Electronic Board Meeting Notice

Directions [Delete directions and notes in document before posting]: At least 18 hours before an electronic Board meeting, the Superintendent or designee must prominently post this notice. If the District has an internet presence that includes at least monthly updates of public meeting agendas or minutes, this notice must be included on a portion of its website that is fully accessible to the public, either on the District's homepage or on a separate webpage dedicated to public notices for non-regularly scheduled or electronic public meetings, that is accessible through a prominent and conspicuous link on the District's website homepage. The link must clearly describe its purpose for public notice of non-regularly scheduled or electronic public meetings. If the electronic meeting is a special or rescheduled regular meeting, the special meeting posting requirements contained in MCL 15.265 must also be satisfied. For Board meetings at which significant Board action is anticipated (e.g., related to the sale of property, approval of contracts, or adoption of bond or finance documents), consider completing an Affidavit of Website Posting.
