3209 Debit/Credit Cards

The Board approves the use of a debit/credit card (credit card) program for the purchase of goods and services on behalf of the District. The Board will determine the type of credit card(s) used in the program and will contract with a third-party provider as provided by law. The Superintendent or designee is responsible for issuing credit cards to authorized users, accounting for and monitoring credit card usage, retrieving credit cards when appropriate, and generally overseeing compliance with this Policy. The total combined authorized credit limit of all credit cards may not exceed 5% of the District's budgeted expenditures for the applicable fiscal year.

A. Authorized Users

The Board may assign a credit card to an employee. An authorized credit card user is responsible for the protection and custody of the credit card and must immediately notify the Superintendent or designee if the credit card is lost or stolen. A person issued a credit card must return the credit card upon placement on administrative leave, disciplinary suspension, or termination of employment or service with the District.

B. Authorized Purchases

An authorized user may use a credit card to charge actual, necessary, and reasonable travel expenses in connection with official District business. Otherwise, the credit card may only be used to purchase goods and services approved by the Board or the Superintendent or designee.

C. Documentation

An authorized user must submit to the Superintendent or designee an itemized receipt. The itemized receipt must include the name of the business, the date of purchase, a description of each item and its purpose, and the price. A non-itemized receipt alone is not sufficient.

D. Suspension or Termination of Privileges

The Superintendent or designee may suspend or terminate the credit card privileges of any person who violates this Policy or for any other lawful reason. The person must promptly return the credit card to the Superintendent or designee. A person who misuses a credit card or violates this Policy may be subject to discipline, including discharge and reimbursing the District for any unauthorized purchase.

E. Reward Points or Rebates

Any reward points, rebates, or other benefits received from a third-party credit card company are the District's property.

F. Purchase Review Procedures

The Superintendent or designee will conduct an independent review of credit card expenses, or a sample of these expenses, on a monthly basis. Any unlawful or unauthorized expenditure or other discrepancy will be brought to the credit card user's attention. Upon request, the Superintendent or designee must provide the Board with the documentation submitted pursuant to this Policy or a summary of that documentation with a description sufficient to give the Board reasonable notice of the items purchased. The outstanding balance, including interest, will be paid by the District within 60 days after the initial statement date.
