2024-2025 SCHOOL YEAR

BREAKFAST & LUNCH FREE FOR ALL BCS STUDENTS!

SCHOOL LUNCH AND MILK PROGRAM

All Buchanan Schools will begin lunch and milk service on Monday, August 26, 2024. One milk is included with each breakfast and lunch.

A variety of fruits and vegetables will be available on all menu lines for students to add to their plate (at no extra charge) before they check-out at the register.

Milk: \$.60 if purchased without a meal or if the student wants an additional carton.

**for monthly breakfast
and lunch menus!**

Paper menus are sent home with elementary students and are also available at each school office.

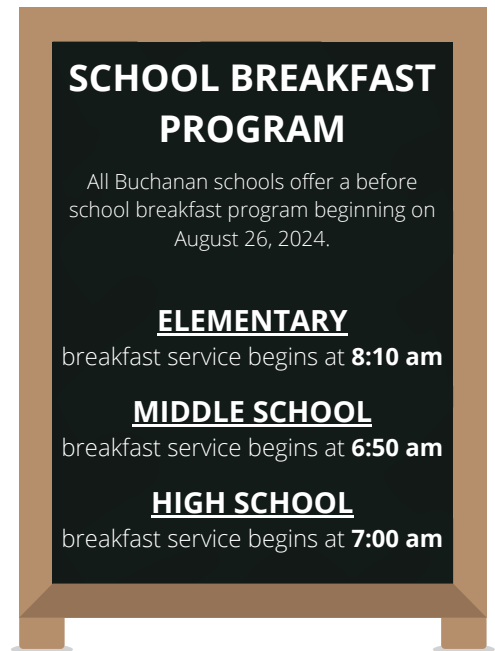

STUDENT MEAL ACCOUNTS

If your student has money in their account, please note that those funds stay with your student until they graduate. That money can be used to purchase ala carte items or will be available to them in future years if meals do not remain free.

Parents may also view the activity in their child's meal account via the internet through the District's Food Service Web Portal.

ALA CARTE SALES

At the Middle School and High School, additional drinks and food will be available for purchase. There must be available funds in your child's account or cash payment in order to purchase ala carte food and beverages. Adults must also maintain a positive balance (or pay with cash).
