**Michael Greene**

Michael Greene demonstrated exceptional talent in school athletics, particularly in football. The Bucks were talented in all aspects of the game during the 1986-87 school year. They were powered by the leading rusher in the state of Michigan, Michael Greene. Mike, who made the All-State Football Team, rushed for over 1,600 yards his senior year and led the state in total yards rushing. His running game gave the Bucks an edge over every team they played. His remarkable performance on the field earned him not only All-State but also All-American honors, solidifying his reputation as a formidable player. His athletic journey continued at Western Michigan University, where he further honed his football skills and contributed to his team's success. Michael Greene's legacy as an outstanding athlete remains an inspiring chapter in the history of Buchanan athletics.
