Subject: You're Invited: Help Shape the Future of Buchanan Community Schools

Dear Community Members,

As Buchanan Community Schools begins the important work of developing our next five-year strategic plan, we are committed to ensuring that it reflects the voices, values, and perspectives of our entire community. That includes you!

We would like to invite you—or a representative from your group—to participate in an upcoming **Strategic Planning Engagement Session**. These sessions are designed to gather insights from key stakeholders across our district to help shape our goals for 2026–2031.

For the first date, we are intentionally seeking representation from a range of community members, including:

- Parents and caregivers (including those active in booster clubs and cultural/affinity groups)
- Local business owners and employers
- City leaders and municipal representatives
- Farmers and members of the agricultural community
- Community members

We deeply value the voices of our staff and students, and we look forward to engaging them in this process at a later stage.

Engagement Session Details:

 May 19, 2025

 1:00pm - Parent Session #1

2:00pm - Business Owners, Employers, City & Municipal Leaders

3:00pm - Farmers & Community Members

Each session will last about 45 minutes and include a brief overview of where we are in the planning process, followed by a guided discussion led by our strategic planning consultant. *Your feedback on what's working well, what could be improved, and what you envision for the future of BCS will directly inform the goals and priorities we develop.*
